

FRED HOLLOWES IOL LABORATORY
ASMARA – ERITREA
QUALITY POLICY AND OBJECTIVES

The FH IOL Laboratory, Asmara strives to continuously improve Production and Quality Assurance Processes of Intraocular Lens in an effort to better satisfy our customers needs. Our goal is to deliver defect free products to our customers on time, each and every time.

In order to maintain the above Quality Policy the Laboratory has the following objectives:

- ☞ Maintain compliance to ISO 9001:2015 & ISO 13485:2016.
- ☞ Expansion of market base.
- ☞ Resources optimization.
- ☞ Acknowledge the importance of staff and provide adequate training and employment conditions and encourage staff loyalty, high productivity and the maintenance of the QMS and product quality.
